FOR CONGRESS.

We are authorized to announce JAMES P. HARBESON, of Fleming county, as a candidate for Congress, subject to the action of the Democracy in convention assembled.

We are authorized to announce Col. J. SMITH HURT, of Bath County, as a candidate for Congress in the 9th Congressional District at the next November election. Subject to the action of the democratic part.

Public Speaking.

We are requested to announce that Hon. Emory Whitaker will address the Democracy of Mason county, at Dover, on Saturday, July 8th, at 2 o'clock p. m., Minerva at 7 o'clock, on the evening of same day, and at Franklin Seminary, Fern Leaf precinct, Saturday, July 15th, at 7 o'clock, p. m. Everybody is invited to be present.

Will our Radical friends inform us why it is that the Radical party has taken a new departure on the subject of race. If an Irishman is as "good" in commercial transactions—an honest man to trade with—why isn't he good enough to look after your convicts and criminals? The query is submitted to sore-head and know-nothing democrats.

Any democrat who is desirous of putting himself on record as a Know-Nothing in politics and religion will have an opportunity to do so at the coming August election. But it is a record that old-time politicians were not ambitious to make, and some of those who did make it have been trying for twenty-five years to wipe it out. The stain is too deep for white-wash. Try it on boys. The fun will come in later.

It is a little remarkable in view of the consolidation of the democracy in the great states of Pennsylvania and New York on the eve of prospective triumphs over radicalism in the local elections, that a knot of democratic soreheads in Kentucky should be organizing a "bolt" in opposition to every consideration of party policy and common sense, merely for the doubtful advantage of an ultimate coalition with the radicals of the state. In the north it is radicalism that is presenting a divided front. In Kentucky, it is the democracy that is torn by petty local dissensions. Measures should at once be taken by men of influence in the party to expose the desperate intriguers who are manipulating this bolt, and place them at once in the Radical ranks where they belong.

The Democratic Executive Committee of this county and the nominees in the county ticket should unite at once in a vigorous movement against the combination of Radicals and Know-Nothings now in the field ostensibly for the defeat of Fitzgerald and the election of Kirk, but in reality to break the power of the Democracy in this county, for the prospective benefit of a few expectant soreheads and fanatics. It is preposterous to suppose that any man calling himself a Democrat will deliberately throw over the accepted principles and traditions of a great political party merely for the sake of establishing in this county a radical regime represented by a succession of sorrel-topped jailers! The real motive behind this movement is the destruction of the Democracy as an organization. If this can be done by a pack of Half-breed Democrats, in a mongrel coalition with Half-breed Radicals, the Democracy deserves to be know-nothingized and extinguished at once.

Kendall's Spavin Cure.

The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

From Rev. P. N. GRANGER.

Presiding Elder of the St. Albans District. ST. ALBANS, VT., Jan., 20, 1880. DR. B. J. KENDALL & Co., Gents:—In reply to your letter I will say that my experience with 'Kendall's Spavin Cure' has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it, cured a horse of lameness caused by a spavin. Last season my horse became very lame and I turned him out for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ring-bone was forming, I procured a bottle of Kendall's Spavin Cure and with less than a bottle cured him so that, he is not lame, neither can the bunch be found. Respectfully yours, P. N. GRANGER.

Perseverance Will Tell.

STROUGHTON, MASS., March 16, 1880. B. J. KENDALL & Co., Gents:—In justice to you and myself, I think I ought to let you know that I have removed two bone spavins with 'Kendall's Spavin Cure,' one very large one, don't know how long the spavin had been there. I have owned the horse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and no bunch to be seen or felt. This is a wonderful medicine. It is a new thing here, but if it does for all what it has done for me it will be very great.

Respectfully yours, CHAS. E. PARKER. KENDALL'S SPAVIN CURE is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach a every deep seated pain or to remove any bony growth or other enlargement, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price \$1. per bottle, or six bottles for \$5. ALL DRUGGISTS have it or can get it for you or it will be sent to any address on receipt of price by the proprietors. DR. B. J. KENDALL & CO. Enosburgh Falls, Vermont. j27d.

PILES! PILES! PILES!

A Sure Cure Found at Last—No One Need Suffer!

A sure cure for blind, bleeding, itching and ulcerated piles has been discovered by Dr. Williams, (an Indian remedy,) called Dr. Williams' Indian Ointment. A single box has cured the worst chronic cases of twenty-five or thirty years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions instruments and electrics do more harm than good. Williams' Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant and painless relief, and is prepared only for piles, itching of the private parts, and nothing else.

Read what the Hon. J. M. Coffinberry, of Cleveland, says about Dr. Williams' Pile Ointment; I have used scores of pile cures, and it affords me pleasure to say that I have never found anything which gave me such immediate and permanent relief as Dr. Williams' Indian Ointment.

Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, heal the lungs, build up the nerves and cleanse the blood and system of every impurity.

For dizziness, rush of blood to the head tending to apoplexy, dyspepsia, fever and ague, dropsy, pimples and blotches, scrofulous humors and sores, tetter, ring worm, white swelling, erysipelas, sore eyes and for young men suffering from weakness or debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: I have used two bottles of your Root Bitters for dyspepsia, dizziness, weakness and kidney disease, and they did me more good than the doctors and all the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health, and feel as well as I ever did. I consider your medicine one of the greatest blessings.
